FORGE (A0910V004)

S7L CI FO SR ESD

Line

Revolution

Protection class

S7L CI FO SR ESD

Norm

EN ISO 20345:2022+A1:2024

Intended use

Electronics, Industry and workshop, Logistic, Plant engineering

Technologies

T-Fiber, Safeflex Conductive, E-TPU, Aquat, 3M Thinsulate, Dial Lacing Technology

Certificates

06/03/2026

UPPER

Water-repellent microfibre with anti-abrasion film and DLT system

LINING

Heat-sealed breathable AquaT membrane

SAFETY TOE CAP

Fiberglass 200J

PIERCE RESISTANCE

Class PL anti-perforation fabric

FOOTBED

Removable, cushioned, antistatic

OUTSOLE

3 density polyurethane with Etpu insert

WEIGHT (42)

510 GR

SIZE RANGE

35-48
